Dear colleagues!

The Organizing Committee of the *IV International Youth Scientific Conference "Basic Research - Start in Medical Science"* invites you to take part in the conference, which will be held on **June 9-10, 2022** at the Department of Human Anatomy of the N.V. Sklifosovsky Institute of Clinical Medicine for I.M. Sechenov First Moscow State Medical University (Sechenov University).

Issues discussed:

- Morphology and physiology of humans and animals in normal and experimental conditions.
- Morphogenesis and regeneration of organs and tissues.
- Synthetic morphology.
- Molecular and genetic markers of health.
- Integrative anthropology is the basis of personalized medicine.
- Ethno-territorial features of physical development at the stages of ontogenesis.
- Computer and Internet technologies in fundamental research and education.

Students (students, bachelors, undergraduates, residents, graduate students, etc.), **young scientists, young teachers and specialists** are invited to participate in the conference (the age of persons without a degree and candidates of science is up to 35 years old inclusive, the age of doctors of science is up to 40 years old).

Conference languages: Russian and English.

Conference materials will be published and placed in the National Bibliographic Database of Scientific Citation of the **Russian Science Citation Index**.

Possible forms of participation:

- Oral presentation.
- Poster presentation.
- Remote report (Zoom conference).

To participate in the conference, you must submit an application for participation in the conference (Application No. 1) to the organizing committee by **June 1, 2022** by e-mail: anatomy@internet.ru. In the subject of the letter, indicate the **Youth Conference, Surname (first author), city, country**.

The application is filled in for each co-author of the report, drawn up in a file - a MS Word document, which is called: **Surname_of_the_first_author.city (application).doc** (for example, **Ivanov,Moscow(application).doc**).

Application No. 1

Application

for participation in the IV International Youth Scientific Conference

"Basic research - a start to medical science"

1. Last name First name Patronymic of the speaker.
2. Title of the report.
3. Abstract of the report (250-300 words in Russian and English in full, reflects the content and structure of the report).
4. Date of birth of the speaker.
5. Full name of the place of study (work).
6. Abbreviated name of the place of study (work).
7. Postal address of the institution.
8. Course, faculty (for students).
9. Department, position (for employees).
10. Academic degree (if any).
11. Academic title (if any).
12. Postal address for correspondence.
13. Up-to-date email.
14. Telephone.
15. Information about the scientific supervisor of the work:
 - 1) Surname Name Patronymic.
 - 2) Academic degree, Academic title.
 - 3) Place of work.
 - 4) Position.
 - 5) Email.
 - 6) Phone.
16. Form of report:
 - 1) Oral report.
 - 2) Poster presentation.
 - 3) Remote report.
